Subject: Re: tunney act - settlement proposal by government

ps - forgot to give the following info in the previous letter I sent w/ the above title -

it was from:

Edward S. Peschko
1126E Reeves Court,
San Francisco CA, 94130

650.464.2156

thanks - and to reiterate the point of my letter, I STRONGLY oppose the DOJ's proposed 'settlement', it should be struck down immediately and replaced with something much more severe opposing Microsoft.
